Subject: Maquoketa Clinton Engine TBA...
Attachments: Rpt - Clinton Engines VI - DEC 2019-01.03.20.pdf

Hi Whitney,

I have attached the current Vapor Intrusion report for you on the Maquoketa Clinton Engine site. As you will notice from the report the findings indicate additional recommendations for the site. Does this help you in determining the scope of work on this site for the TBA that the City has requested? Would you be able tell us if there is anything else you are in need of for the TBA?

Dawn M. Danielson
